

**Scroll down to see the October 13 Sacred Writing Slide that will be displayed in my classroom as my students enter the room.**

Dena and I have created a set of Sacred Writing Slides that feature a slide for every day of the year. If you're interested in obtaining the entire set of slides, we sell them for a very reasonable price [here](#) from Teachers Pay Teachers.

# Sacred Writing Time

Did you come to class with an idea to write about?  
As soon as class starts, quietly make that pencil dance!

## It's October 13.

Today is International "Skeptics Day." Are you doubting this is really an international holiday?

Trivial Fact of the Day: Twinkies are 68% air. Why can't air be 32% Twinkies?

Interesting Quote of the Day: "I am so clever, that sometimes I don't even understand a single word that I am saying." --Oscar Wilde  
(Irish author and poet)

Vocabulary Word of the Day: *meticulous* (adjective) – This word describes someone who is (or a task that needs) extreme care with its details. Which school subject requires you to be the most *meticulous*? Who most *meticulously* finishes their homework?
