

Time Transitions In History

What is it?: Daily PowerPoint that focus on world history, American history, daily vocabulary and a bonus corner (that includes quotes, riddles and interesting facts).

How was it developed?: Each slide was based on events in history. In addition, vocabulary common to a variety of state standards and the 12 power words were incorporated in the development.

FREEBIE!: Here are the first 15 days of September free. If you would like to continue, please go to the following website for information on purchasing subsequent materials:
